... from the AWSA President

On behalf of the Australian Women's Soccer Association I would like to welcome players, officials and spectators to this joint Junior and Youth National Championship.

1991 heralds the most significant occasion in the development of women's soccer. In November, FIFA will sponsor the First Women's World Cup, signalling that women's soccer has reached true international status and guaranteeing the legitimacy of women's participation in soccer. While much remains to be done to guarantee gender equity in soccer, FIFA's action in sponsoring the Women's World Cup represents a significant step forward.

The Australian women's Soccer Association places great emphasis on the development of our elite young players. No doubt some of those you see playing in this tournament will be part of World Cup squads of the future. The Youth Team represents the grooming base for our Open National Team and this must be the flagship for the promotion of women's soccer.

I am particularly pleased to see so many teams competing in the Junior Championships in 1991 and impressed by the growing level of skill and athleticism demonstrated by these younger players. This is no doubt the result of the strong emphasis placed on junior development by State and Local Associations. While broad representation is an important goal, it is also essential that we must unashamedly cater specially for our elite players as these set the standards of the game in future years. Elite coaching schools are now setting standards unheard of only a few years ago and I congratulate all those who are involved in their development.

I congratulate all of those players who have been selected to represent their State and I wish them an exciting and successful tournament. I would like to offer particular thanks to the Northern New South Wales Association and to the Tournament Organisers Austin Butler and Lyndell Lawley for their efforts in hosting this joint championship. I expect this tournament to set new standards in player participation and trust that these standards will provide sufficient rewards for the great deal of work which is needed to organise such a tournament.

... from the NNSW President

On behalf of the Northern New South Wales Women's Soccer Federation I would like to take this opportunity to extend a warm welcome to all players, officials and supporters to Woy Woy for the Combined Junior and Youth National Championships of 1991.

The N.N.S.W.W.S.F. are extremely proud to be hosting this year's Championships and wish to thank the Central Coast Women's Soccer Association for their support. Many thanks must go to Lyndell Lawley and Austin butler for their continued support in making these Championships a success.

I hope that this week creates many new friendships and rekindles the old. I wish you all an enjoyable and injury free week of soccer with the games played in the true spirit of sport.

Good luck to everyone and enjoy your visit to the Central Coast.

John Caban
President N.N.S.W.

... from the CCWSA President

On behalf of the Central Coast Women's Soccer Association Inc., I extend a most cordial invitation to the Officials of A.W.S.A. and the N.N.S.W.W.S.F.Inc. and all other Officials, Teams and invited guests to this year's Junior and Youths National Titles which are being held on the Central Coast for the first time.

Many thanks to all the Business Houses and Sponsors for their support and co-operation in helping us make this weekend a successful and memorable one.

I would like to take this opportunity to wish all participating teams the best of luck for the week of games.

I must also thank my dedicated and hardworking executive and committee on making this week a success.

Barry Jones
President C.C.W.S.A.Inc.

... from the Executive Director AWSA

The combined under age championships this year are significant for several reasons. These are:-

1. the 10th Junior championship
2. the 7th Youth championship
3. the most competitive tournament with a record number of participating States (7 in each Division)
4. the first year of participation by South Australia in the Youth division
5. the fourth "combined" under age tournament
6. the last time the Youth championships will be held in July, and
7. the first time that the selected Youth squad will have full international competition (3 tests v. New Zealand) at home in the year of the championships.

The competition format for the championships also presents interesting information as last year's tournaments saw NSW, South Queensland and ACT finish first, second and third in each Division. Hence the reason for these States playing at similar times this year.

I would like to congratulate Austin Butler, Lyndell Lawley and members of the Central Coast and Northern NSW Women's Soccer Associations on their attention to detail in the organisation of this year's tournament. I am looking forward to watching exciting and challenging games in each Division and I wish all participants and officials an enjoyable time in Woy Woy.
